

Building Profiles-Window And Door-Algeria Market

Product Name: Cheap price ALG series window section
extrusion aluminium profile for Algeria market

Model number: ALG series

Place of Origin: Guangxi, China(Mainland)

Temper: T3-T8

Shape: Square

Color: Customized Colors

Surface treatment: Powder Coating, Anodizing, Electrophoresis

Material: Aluminum Alloy, Aluminum Alloy+Glass+Accessories

Brand name: HK GANGYA GROUP

Tolerance: +/-0.15

Payment term: L/C or T/T

Grade: 6000 Series, details in specification form below

Alloy Or Not: Is Alloy

Material & Temper: Alloy 6063-T5/6061-T6

Thickness: Normally, 1.2mm-2.0mm, 1.4mm for windows,
2.0mm for doors, or Customized

Size: Customized size

Style: Fashion and durable

Standard: GB 5237-2008

Certification: ISO9001-2008, COC, SGS, GMC

Warranty: Above 3 years

Capability: Above 5000 Tons/month

Packaging: Standard or special

Application: Door & Window, Construction & Decoration

Delivery: We send our goods form Qinzhou departure port, and
they will arrive your country within 15-25 days.

Product Specification:

Aluminium Alloy	General	Special
	6063,6060,6061,6063A	6005,6005A,6082,6463,1050,1060,1100,2011,2017,2024,2A12,3003,3004,5052,5056,5083,5A02,5A05
Temper	T3-T8	T3-T8
Quality Standard	China National Standard GB/T 5237-2008 (advanced class)	China National Standard GB/T 14846-2008 (advanced class)
Quality Certificate	ISO9001, ISO14001,OHSAS18001,DNV,QUALANOD, QUALICOAT	
Main Market	Algeria windows and doors profiles	Algeria windows and doors profiles

Surface Treatment	Power coating: RAL Normal Color , Special Color, or follow customer color samples
	Fluorocarbon Coating(PVDF): Normal Color, Special Color or follow customer color samples
	Anodizing: Silver, Champagne, Bronze, Black, Gold, Imitating Steel,Titanium
	Wood Imitation: Normal Color, Special Color
	Polishing
	Electrophoresis: Sliver, Champagne, Black, Golden,Titanium, etc.
Color	Different Colors Optional
Accessory	Hanger, Connector, C-shaped Hanger, Screw, Thread Rod, Nuts, Anchor Bolt, Bar, Groove Carrier, Cover, etc.
Deep Processing Ability	Drilling, Bending, Aluminium profile fabrication, Precise cutting etc.
MOQ	1000 Kilogram
Packing	1.PE foam for Blank strip exterior, laminated plastic bag for other aluminium profiles exterior, than we use shrink film to wrap up each bundle of profiles (standard package) Remark:Cost of special package increases 300 RMB per ton 2.Kraft paper for each bundle of profile
Payment term	1) T/T: 30% of total value as deposit should paid by T/T within 3 days when confirmation of order , and the balance should be paid by T/T before packing the container . 2) L/C: 30% of total value as deposit should paid by T/T within 3 days when confirmation of order ,and the balance should be paid by L/C at sight .
